## Attractive low profile plastic enclosures

These highly attractive enclosures are especially suitable for living and working environments – ideal for communication and network equipment.

- modern, flat enclosure design for wall mounted and desktop electronics
- central control panel for mounting a keypad, touch screen or display unit
- recessed area for installation and protection of interfaces, plug-in connections, cable glands etc.
- easy, invisible wall mounting; knockouts in base for wall fixings
- four sizes in two colours
- **DIATEC XS:** two-piece case, consisting of a top and bottom part, screwed together with Torx T10 stainless steel screws, integrated battery holder for 2 x AA, pre-shaped flush-mounting box contoured in the bottom part
- **DIATEC S, M, L:** four-piece case, consisting of a top and bottom part as well as two covers for concealing the assembly screws; if required, the snap-on covers can be locked to prevent unauthorised access; integrated battery compartment for 2 x AA or 1 x 9 V
- slot-in panels (accessories) can be used to separate the electronics and terminal areas
- protection class IP 40
- snap-on side panels allow installation without disassembly of the top panel (S, M, L)
- internal screw pillars for mounting PCBs

## Applications and Examples

Peripheral equipment for computers, IoT/IIoT, gateways, data system engineering, systems for data collection on the job, access and security controls, measuring and controlling devices, medical, wellness and laboratory technology, etc.

Control panel for home automation

Control unit for photovoltaic solar installations

Controller for intelligent tank management

House control unit

Indoor air quality control

Multi-functional terminal

Solar Control Panel

Systems for drying brickwork

WBA receiver unit for measuring biosignals

Weather Monitoring Station

## Customising Options

What do you still need for your own very personal product? We can supply enclosures and tuning knobs with all necessary modifications for fitting your electronic components. Customising options for Diatec
